lost in the Holocaust*

**The true story of four paintings
and one family's enduring spirit**

Join Second Story Press, Kathy Kacer, and Karl Reeser and family as we celebrate *Restitution*, a compelling new work of non-fiction that tells the story of the Reeser family's escape from Nazi occupied Europe on the eve of the Second World War. The book chronicles the Reeser's struggle over the next fifty years to restore the four paintings they were forced to leave behind, symbols of a vanished world.
